

# LEVERAGE

## Your 'Portfolio of Talents'

Thursday, April 21, 2011 5:30PM

Network with colleagues while designing your own personal "Portfolio of Talents®" during this HBA workshop event. Leverage expert advice from a cadre of executive coaches while defining next steps for achieving professional goals. Brainstorm with peers how you can bring increased motivation and commitment to your organization or business. Depart with a greater sense of control over your professional development and business journey.

### FEATURED SPEAKER:

**Kimberly A. Farrell** is the founder and CEO of Chicago based, Unlimited Performance Training, Inc., a firm specializing in training and leadership consultation, executive coaching, customized program design and advancing women in leadership. Ms. Farrell has over 24 years of experience within and serving Fortune 500 companies. She is the author and researcher of the W.IN LEADERSHIP® Research Study published in 2009 based on interviews from 467 women in healthcare. She previously was honored in 2004 as the HBA Volunteer of the Year.
